ACTION REQUIRED - REFERENCES

See below

FTBW 10605, 23 March 1962 ([- -])

1. On 28 May 1963, during a casual social conversation concerning @DESSAU's trip to the Far East, @DEGENHARDT asked @DESSAU who the UPHILL man in Bangkok was. @DESSAU identified the UPHILLer as "HERRMANN" and we consider it likely that he was referring to Subject who was identified in reference as the West German Military Attache in Bangkok.

2. Reference stated that Headquarters was running traces on Subject and would forward any information of interest. We assume that there were no traces at that time but request that Headquarters retrace Subject to determine if any information has been developed since reference.

3. [] Munich files contain two possibilities:

a. Klaus HERRMANN, born 30 January 1920 in Leipzig who in May 1954 was residing at Remagen Kripp and was listed as a candidate for the "Blank Office" (a now defunct West German military intelligence outfit).

b. Klaus HERRMANN ([]), born 21 July 1929 in Cammin or Commin, Germany who was the subject of an "administrative trace request" from COS, Germany and was identified as a 1st Lieutenant per EGQA 81467, 24 August 1956.

Please advise if you have any information on Subject which would enable us to identify him more exactly. We would also appreciate a run-down of any information on his intelligence activities which has come to your attention.

4. @DESSAU also mentioned that "HERRMANN" was a very good man, but was greatly over-extended and had the responsibility for practically all of southeast Asia except the Philippines.
